Sunday	September 25	Cherie Sargent Benefit Scramble
Saturday	October 8	UMF Baseball Scramble

As I did last year, I tried my best to keep Outside Events off of weekends for most as much of the season as possible – focusing on June/July/August. It is always my desire find a balance between open weekends and hosting tournaments that are important to both the membership and the club. I hope that I have been able to achieve that with some success.
