

USGA Rules Govern Play except where modified by Local Rules

1. All unmarked drainage areas featuring ditching, crushed stone, French drains, and/or culverts are free relief under Rule 16. This also includes cart paths, fences, and concrete barriers on #5.
2. All stone/rock walls are considered integral parts of the course and cannot be disassembled. Relief may be taken with a 1-stroke penalty under Rule 19 – Unplayable Ball.
3. On #12 -- Any tee shot to the right of the large tree is considered Out of Bounds as protection to private residence. Relief from fence marking property lines may be taken under Rule 16.
4. All private property is considered Out of Bounds, regardless of white stake markings being present or not. Shots may not be played from private property and no shot should be intentionally played over a private home. Any damage done by golfers to private property is the sole responsibility of the golfer.
5. When present – Dropping Zones are an option to players in a penalty area, along with Rule 17.1. Dropping Zones are understood to be within one club length of the “Drop Zone” sign. If Rule 17.1 cannot be followed, a player MUST use the Dropping Zone.
6. For General Play, it is encouraged that Modified Local Rule E-5 be used. For a ball out of bounds, a player may take a 2-stroke penalty to drop at or near the point of entry. This does not apply for Competition Play.
